SEVENTY-FIRST
ANNUAL REPORT
OF
ST. LUKE'S HOSPITAL
1934

1431-1447 MICHIGAN AVENUE
1416-1442 INDIANA AVENUE
CHICAGO

PRESIDENT'S REPORT

With the continued depression, the financial situation of the hospital has given us, and continues to give us, deep concern.

Decreased earning power of the individual has had its effect, which added to the large number already depending upon assistance, has increased the burden of the hospital.

It has been the privilege of St. Luke's to serve Chicago for seventy-one years and to render distinctive health service to the city of which it forms a part. Through its long history the hospital has enjoyed a unique opportunity to render distinctive service to the wealthy and to those in less fortunate circumstances. Changing conditions have, however, increased the demands on the hospital for treatment to persons without funds.

A hospital such as St. Luke's does not make a profit; it does not even make expenses, due to the hospital's contribution of caring for the sick and injured who cannot pay.

In pre-depression years, balancing of the hospital budget was not regarded. Now, with the decreased earnings from pay patients and contributions from friends of the hospital, consideration to the balancing of the budget is vitally necessary, and to increasing the hospital's endowment funds.

Contrary to community opinion, St. Luke's is not a wealthy institution, but because of assistance in former years it has been able to provide generously a service to the indigent of the community.

Constantly increasing requests for treatment and hospitalization make it difficult to provide without seriously jeopardizing the hospital's financial position.

In a city as large as Chicago, living would entail untold burdens for thousands of people were it not for institutions of the character and accomplishment of St. Luke's.

With deep regret the Board of Trustees of St. Luke's records the death of Dr. Lewis Linn McArthur and Dr. Carl Hedblom.

WHEREAS, the deaths of Dr. Lewis Linn McArthur, on November 5, 1934; and Dr. Carl Hedblom on June 5, 1934, Senior Surgeons of St. Luke's Hospital, have terminated years of distinguished service;

BE IT RESOLVED, that the Trustees of St. Luke's Hospital hereby give expression to the deep sense of loss they have sustained and to their high esteem and regard for them as men who exemplified the highest ideal of professional ability and human service to their fellow men;

FURTHER, BE IT RESOLVED, that this tribute be spread in full upon the minutes and that a copy be sent to the families whose grief we share and to whom we offer our heartfelt sympathy.

To commemorate the memory of Dr. Lewis Linn McArthur, the Operating Suite of Smith Memorial Building was air conditioned by his friends and associates.

CHARLES H. SCHWEPPE.

ST. LUKE'S HOSPITAL

1934

VISITOR

The Right Rev. George Craig Stewart, D. D.

OFFICERS

President, Charles H. Schweppe, 141 W. Jackson Blvd.

First Vice President, A. Watson Armour, 55 E. Washington St.

Second Vice President, John Stuart, 141 W. Jackson Blvd.

RULES

AS TO

ENDOWED ROOMS AND BEDS

A donation of \$5,000 endows a bed in a ward with the right to name the bed in perpetuity, but without the right to nominate occupants for the bed.

A donation of \$7,500 endows a bed in a ward with the right to name the bed in perpetuity and the right to nominate the occupants of the bed during the life of the endower.

A donation of \$10,000 endows a private room with the right to name the room in perpetuity, but without the right to nominate the occupants of the room.

The sum necessary to endow a private room in perpetuity with the right to name the occupants thereof shall depend on the size, location and general desirability of the room selected.

The right to nominate the occupants of a bed or room shall be understood to mean:

That the endower shall have the right to nominate one patient at a time to occupy the said bed or room, and if all beds or rooms are occupied to a preference over all other applicants when a vacancy occurs.

In the event that an endowed bed or room is occupied the Hospital reserves the right to place the patient in some other equally good bed or room.

Persons nominated to free beds or rooms should be worthy subjects for such charity.

Persons whose means admit of their paying for hospital care and treatment are not acceptable as occupants of free beds.

TO THE BOARD OF TRUSTEES
OF ST. LUKE'S HOSPITAL:

We have made an examination of the balance sheet of ST. LUKE'S HOSPITAL as at December 31, 1934, and of the statement of income and expenses for the year ended that date. In connection therewith, we examined or tested accounting records of the Hospital and other supporting evidence and obtained information and explanations from officers and employees of the Hospital; we also made a general review of the accounting methods and of the operating and income accounts for the year. Our detailed audit of the transactions was limited to a test-check of certain transactions mainly for one month of the year. We did not audit the various assets and fund balances at the end of the year 1933 but accepted the amounts of these items as reported by the previous auditors.

We were informed that a segregation of assets as between the various funds was determined upon during the year 1934 by officials and counsel of the Hospital, after a study of all available documents relative to bequests and endowments. Investments having a book value of \$197,432.47 were transferred from the Endowment Fund to the Unrestricted-Investment Fund. The Endowment Fund was also reduced by \$216,909.35 to bring that fund into agreement with the book value of its assets; a corresponding amount was recorded as an addition to the General-and-Plant Fund. In the accompanying statements we have reflected the segregation as determined upon by the officials and counsel, but our examination did not include a review of the aforementioned documents.

In our opinion, based upon such examination, the accompanying balance sheet and related condensed statement of income and expenses, subject to the notations thereon, fairly present, in accordance with accepted principles of accounting consistently maintained by the Hospital during the year under review, the financial position of the Hospital at December 31, 1934, and its income and expenses for the year ended that date.

The above balance sheet is subject to the following:

- (1) The reserve for depreciation of buildings includes only provisions for depreciation up to and including the year 1912; no provisions have been recorded on the books subsequent to that year.
- (2) Investments are stated at values as carried on the books without regard to such decrease as would occur if these assets were recorded at book values or market, whichever the lower.
- (3) Bonds having a book value of \$39,850.03 (quoted value \$38,377.47) included in the Endowment-Fund investments are also recorded on the books and balance sheet of the Linen Committee as assets of that organization; other than these bonds, assets of organizations which function in connection with the activities of the Hospital are not included in the above balance sheet.
- (4) Unpaid subscriptions to the Greater St. Luke's Campaign Fund, in the aggregate amount of \$243,886.35 as shown by the records of the Hospital, are not included in the above assets.

REPORT OF THE SCHOOL OF NURSING FOR THE YEAR 1934

Although 70 students were admitted to the St. Luke's Hospital School of Nursing in 1934, an increase of 10 over the admissions in the previous year, after the departure of the senior class of 1934, the last day of the year found the student enrollment at its lowest point in eight years. On December 30, 1934, the enrollment was but 102.

During 1934 the student personnel was supplemented by a volunteer nursing corps supplied by members of the St. Luke's Alumnae Association, in pursuance of the policy advanced by the Alumnae in the Spring of 1932: the reduction of the student personnel to the end that the private duty section of the Association would not be increased so rapidly by new graduates to the further extension of unemployment. During 1934 the volunteer nursing corps composed of private duty nurses gave 8,056 days (or the equivalent of \$4,355.00, based on the existing salary scale for general duty nurses) of volunteer service to the hospital.

This volunteer service was not sufficient, however, to completely offset the reduction in the student personnel available for bedside nursing. The general duty staff was of necessity increased as the year advanced. On the last day of the year the general duty staff totalled 62 nurses, an increase of 46 over the previous year.

The School's affiliations with the Municipal Contagious Disease Hospital, The Visiting Nurse Association, the Infant Welfare Association and the State School of Psychiatric Nursing have been continued.

The Woman's Board has continued its policy of providing scholarships for advanced study to outstanding members of the nursing staff. Miss Nellie Beeby, supervisor in the obstetrical department, was selected to attend Columbia University during the past school year 1934-1935.

The income from the Herman H. Hettler, Jr. Fund, amounting in 1934 to \$475.00, again provided varied social activities and

entertainment for the student body. We are indebted to members of the Board of Trustees and the Woman's Board for additional assistance with school functions.

The Teaching program of the School of Nursing has been carried to completion only with the assistance and cooperation of the twenty-six members of the Medical Board who have given freely of their time for classroom instruction. In 1934 these physicians and surgeons gave 325 lectures to the school program:

Fred E. Ball, M.D.	S. C. Henn, M.D.
C. F. G. Brown, M.D.	T. L. Hansen, M.D.
Eugene Cary, M.D.	R. P. Mackay, M.D.
J. A. Cavanaugh, M.D.	R. G. McMillan, M.D.
F. A. Chandler, M.D.	A. R. Morrow, M.D.
George H. Coleman, M.D.	E. A. Oliver, M.D.
J. S. Coulter, M.D.	Carl Rinder, M.D.
E. A. Edwards, M.D.	R. O. Ritter, M.D.
George K. Fenn, M.D.	George Scupham, M.D.
James E. Fitzgerald, M.D.	E. M. Smith, M.D.
H. K. Gibson, M.D.	L. L. Veseen, M.D.
Stanley Gibson, M.D.	Howard Wakefield, M.D.
James A. Gough, M.D.	Sydney Walker, M.D.

Members of the departments of Anesthesia, Dietetics, Physiotherapy, Occupational Therapy and Electrocardiography have also cheerfully cooperated in the classroom instruction. To these members of the Medical Board, and to the personnel of cooperating departments, the Administration of the School of Nursing take this opportunity to express their thanks.

Respectfully submitted,

JANET FENIMORE KORNGOLD,

Director, School of Nursing.

HENRY BAIRD FAVILL LABORATORY

Each year the personnel of the Henry Baird Favill Laboratory strives to render the patients and attending staff of St. Luke's Hospital the best possible of laboratory service. An approximation of this ideal naturally demands rigid attention to care, precision and speed in technic, and a constant alertness for new data revealed in these tests which are important in the diagnosis of disease, or which give direction in the treatment of the sick.

From time to time, in order that the methods of technic used in the laboratory do not drift into a routine stalemate, checks are made of the procedures used, and the original results are compared with those obtained by separate or identical methods in the hands of independent workers. Such verifications of the laboratory procedures have been in regular use for years. The laboratory completed during 1934 a greater number of routine examinations than in any other year. This large volume of work was demanded even though the total daily number of patients cared for in the hospital was less than when more of the hospital beds were occupied. The increase indicates that more laboratory service is demanded in the care of hospital patients.

The following table summarizes the various routine examinations and their number completed by the laboratory during the year 1934:

Red and white blood counts, and hemoglobin estimations	37,690
Blood coagulation tests.....	882
Differential blood counts.....	1,535
Blood typings	1,134
Gastric analyses	509
Stool analyses	1,938
Urinanalyses	18,246
Bacterial examinations	6,250
Widals	36
Blood cultures	144
Typhoid vaccines released.....	537
Guinea pig autopsies.....	53
Milk and cream examinations.....	502
Blood Wassermann tests.....	2,073
Spinal fluid examinations.....	312
Blood campatibility tests.....	364
Chemical examinations	3,625
Surgical tissues	4,755
Postmortem examinations	126
TOTAL.....	80,711

SOCIAL SERVICE DEPARTMENT LABORATORY

Red and white blood counts, and hemoglobin estimations	3,135
Differential blood counts.....	248
Gastric analyses	676
Stool analyses	473
Urinanalyses	8,191
TOTAL.....	12,723

Research and training of young physicians in pathology, as in other years, has been an important function of the laboratory. Dr. A. P. Locke, who since 1922, was the Seymour Coman Fellow of the Chemistry Department of the University of Chicago resigned to accept a position in the Institute of Pathology of the Western Pennsylvania Hospital. His successor, Paul J. Hartsuch, was appointed October 1st. Dr. Cornelius S. Hagerty, the John Jay Borland Fellow, completed his year's appointment July 1st and accepted an appointment in the Department of Pathology at Rush Medical College. Dr. Oscar O. Christianson was appointed his successor. Dr. Gene Kistler, Associate Professor of Pathology at the University of Alabama, again spent the summer in research under this Fellowship Fund. Because of shrinkage in the funds available under the Seymour Coman Fellowship, additional support for the work of Paul J. Hartsuch has come from the Watson K. Blair Memorial Fund. The Winfield Peck Memorial Fund administered through Dr. J. A. Capps also has supported research in the laboratory during the year.

The following reports from the laboratory have been published or are in print:

H. O. JONES and J. I. BREWER:

"A Human Embryo in the Primitive Streak Stage" (Approximately eighteen and a half days.)
Surg. Gyn. and Obst. 60: March, 1935.

J. I. BREWER and J. E. FITZGERALD:

"Extra-uterine Pregnancy: A Clinical Study of 500 Cases."
Am. J. Obst. and Gyn. (in print).

WILLIAM TATE, JR.:

"Modification of the Aschheim-Zondeck Reaction with Abortion."
Am. J. Obst. and Gyn. (in print).

Information Relative to Pay Patients

Medical and Surgical Fees in the case of pay patients are fixed by private arrangement with the Attending Physician or Surgeon.

PRIVATE ROOMS

The rates in the Smith Memorial Building are: Single rooms, \$7.75 to \$17.25 per day. Relatives or friends will be accommodated as guests when the available space will permit.

The rates in the Main Building:

Single Rooms, per day.....	\$6.25
Semi-private Rooms, per day.....	5.00
Ward rates, adults, per day.....	4.00
Children under twelve years old, per day.....	1.00

GRADUATE NURSES

Graduate special nurses may be employed by patients at the following rates:

8-hour service.....	\$4.00 Per Day
10-hour service.....	5.00 Per Day
12-hour service.....	6.00 Per Day

The entire transaction is directly between the nurse and the patient and payment should be made to the nurse.

AN EXTRA CHARGE WILL BE MADE FOR THE FOLLOWING:

Use of operating or delivery rooms; gas anaesthetics; X-Ray and electrical examinations and treatments; Electrocardiographic tests; Metabolism tests; Physiotherapy treatments and unusual articles of diet, medicines, apparatus and dressings.

REPORT OF THE PRESIDENT

To the Board of Trustees,
St. Luke's Hospital,
Chicago, Illinois.

Gentlemen:

I beg to submit a brief résumé of the work done by the various Committees of The Woman's Board of St. Luke's Hospital. Details will be found in their separate reports.

Our Eighth Fashion Show, held in October, 1934, proved very successful, both from a greater attendance at each performance and the smoothness of the production of the Show itself. The net amount made was \$22,532.06, which exceeds last year by \$4,662.79.

In November, 1934, Mrs. Frank Hibbard arranged an auction sale at the old Potter Palmer residence for the benefit of the Children's Memorial Hospital and The Woman's Board of St. Luke's Hospital. This brought in to our Board \$5,350. Mrs. Hibbard deserves great credit and congratulations.

Our Emergency Committee gave the Hospital a gas machine for the Obstetrical Department on Main 9.

The Kindergarten Committee brought great joy to our sick children on Main 8, with nine parties on the various holidays. The Service Club again trimmed the Christmas Tree and the Ladies' Auxiliary (composed of the wives of our doctors) filled a stocking for each child.

Layettes were given to twelve needy mothers.

The Linen Committee has provided, from income from invested funds and from the Roloson and Landon bequests, their usual garments, linen for the Training School and the salary of the Supervisor of Linen.

The Nurses' Committee, using income from the Hettler Fund, has been able to add much pleasure and recreation for the

student nurses. It has taken care of the expenses of the graduation and various other activities and for the sixth consecutive year has a St. Luke's nurse at Teacher's College, Columbia University, for a post-graduate course.

The Occupational Therapy Committee has undergone some radical changes during the year, and while the number of patients treated is no greater we feel the quality of work is much better.

It is hard to realize from mere figures the huge volume of work done by the Social Service Department, our major activity. This part of the Hospital is a perfect beehive and we marvel at the amount of work accomplished by our staff. We have been able to carry this tremendous load only because of the money allotted to us by the Illinois Emergency Relief Commission and the contribution from the Community Fund. There were 65,923 clinical visits, at a cost to The Women's Board of \$17,883.76. The growing cost of medicine for these charity patients is somewhat alarming. I refer you especially to Mrs. Wolf's report for a most interesting account of the work of this Department.

The Woman's Board paid:

The salary of Miss Shannon, Recreational Director.

Redecorated the rooms of the Director of Nurses.

Gave the Hospital \$2,000 for a water softener for the Laundry.

Furnished flowers for the trays on Easter day and plants for the tables in the Nurses' dining room.

We sent a red carnation for every patient, nurse, interne and employee at Christmas time.

Christmas trees were decorated for the various floors and wreaths placed at the windows in the main building.

We gave to the Trustees of the Hospital \$1,000 in memory of Dr. L. L. McArthur.

The total donations of The Woman's Board for the year amounted to \$30,579.12.

We record with deep regret the deaths of Mrs. William Prescott Hunt, an Honorary Member and former President; Mrs. James T. Harahan, a Senior Member, and Mrs. Samuel Insull, Jr., an Active Member.

We have had five resignations: Miss Beatrice Borland, Mrs. Robert J. Gay, Mrs. Lockwood Honore, Mrs. Melvin A. Traylor and Mrs. Mark S. Willing. We have elected four new members: Miss Harriet Borland, Mrs. James H. Douglas, Jr., Mrs. Paul Delano Hamlin and Mrs. Louis C. Sudler, and reinstated Mrs. John L. Cochran to Active Membership. Mrs. William E. Casselberry has been transferred from Active to Senior Membership. Our Board now consists of fifty-three Active Members, two Honorary Members and four Senior Members.

The Woman's Board takes great pleasure in assisting the Trustees in the work of the Hospital.

Respectfully submitted,

EMILY LYON GARY,
President.

January 23, 1935.

ANNUAL REPORT OF THE CORRESPONDING SECRETARY
OF THE WOMAN'S BOARD OF ST. LUKE'S HOSPITAL
1934

Notices of eight regular meetings and the Annual meeting sent to members of the Woman's Board.

Invitations to Mrs. John W. Gary's luncheon following the Annual meeting sent to the members of the Woman's Board.

Notices of Fashion Show meeting and invitations to luncheon at the home of Mrs. Kersey Coates Reed sent to the members of the Board.

Sent notices of Fashion Show meeting and invitations to luncheon at the home of Mrs. Charles H. Morse to the members of the Board.

Letters accepting resignations sent to:

Mrs. Lockwood Honore
Mrs. Robert J. Gay
Mrs. Melvin A. Traylor
Mrs. Mark S. Willing
Miss Beatrice Borland

Letters of notification of election sent to:

Miss Harriet Borland
Mrs. Paul Delano Hamlin
Mrs. James H. Douglas, Jr.
Mrs. Louis C. Sudler

Letter of notification of re-election to the Board sent to:

Mrs. John L. Cochran

Wrote letter to Mrs. William E. Casselberry acknowledging receipt of Senior member dues of \$15.00.

Letters of sympathy sent to:

Mrs. Melvin Traylor
Mr. Samuel Insull, Jr.
Miss Alice Brough

Sent letter of appreciation to Mrs. Charles H. Schweppe for furnishing rooms for the nurses.

Wrote letter to Miss Cornelia Conger thanking her for her assistance in furnishing rooms for the nurses.

Letter of appreciation sent to Mrs. Ada R. Crocker upon her retirement.

Letters sent to the following, thanking them for helping make the Fashion Show a success:

Miss Mabel McKay
Miss Elizabeth Roe
Mrs. Jack Coras
Mrs. M. F. Ackley
Mrs. P. J. Delano
Miss Isabel M. Lynn
Miss Alice H. Brough
Mr. Harold Smith

Letter sent to Mrs. Sterling Morton thanking her for her donation of a car for the Fashion Show.

Letter sent to Mr. Chauncey Borland thanking the Trustees of the Hospital for their letter of appreciation.

Wrote Edward Gore & Co. thanking them for auditing the books of the Linen Committee.

Wrote Price, Waterhouse & Co. thanking them for auditing the books of the Nurses Committee.

Respectfully submitted,
CHARLETA P. ASHCRAFT,
Corresponding Secretary of the Woman's Board.

*($\$1,500$ held for Social Service.
500 Grace Church.
1,000 Sharp and Dohme Ad)
Balance $\$27,897.35$.

Mrs. Harold C. Smith,
Treasurer, The Woman's Board of St. Luke's Hospital,
Chicago.

Dear Madam:

In accordance with your request, we have examined the records of the Woman's Board of St. Luke's Hospital for the year ended December 31, 1934.

The cash receipts as shown by the records were checked to the deposits indicated by the bank statement on hand. All cash disbursements were supported by cancelled checks. The balance on deposit in the Northern Trust Company at December 31, 1934, amounted to \$29,397.35, as shown by the bank statement and by accompanying statement of cash receipts and disbursements for the period under review.

The following investment securities, held in the vaults of the Northern Trust Company, were inspected by us:

	Par Value	Cost	Market Value December 31, 1934
American Rolling Mill Company, 5% Sinking Fund Gold Debentures, due Jan. 1, 1948.....	\$4,000.00	\$3,984.00	\$3,910.00
Kentucky Utilities Company, 5% First Mort- gage Bonds, Series "H," due February 1, 1961	5,000.00	5,025.00	3,100.00
	<u>\$9,000.00</u>	<u>\$9,009.00</u>	<u>\$7,010.00</u>

Interest on the above bonds in the amount of \$450 was received during the year and deposited in bank.

Yours faithfully,
ARTHUR YOUNG & COMPANY,
Accountants and Auditors.

FLOWER REPORT

1934

A Briar Cliff or a Talisman Rose was placed at the bedside of each patient Easter morning and potted Hyacinths were put on the Nurses' dining room tables. Gift of a member of the Board.

Christmas trees were decorated for the various floors of the Hospital by members of the Woman's Board and they sent a red carnation for every patient, nurse, interne and employee, and wreaths were placed at the windows in the main building.

ANNUAL REPORT OF THE KINDERGARTEN COMMITTEE

1934

On Valentine Day, Washington's Birthday, St. Patrick's Day, Easter, Decoration Day, Fourth of July, Halloween, Thanksgiving and Christmas, the children of Main 8, were given appropriate favors, candies and ice cream.

With the exception of July, August and September, Miss Bonfield received ten dollars monthly which she used in buying school supplies, new lantern slides, and many other educational materials which she says are most useful in teaching the children.

In October at the request of Miss Brown, I bought twenty-one yards of sunfast unglazed chintz, which the Hospital had made into curtains for the sun porch.

For Christmas, checks amounting to fifty dollars each were received from the Service Club, Mr. Walter Smith and Mr. Frank O. Lowden. The Service Club trimmed the tree, and the wives of the doctors filled stockings for each child. In addition two boxes of second-hand toys were received.

During the fall Miss Brown was given a year's vacation, and her assistant, Mrs. Haines, took her place as superintendent of Main 8.

FINANCIAL REPORT

Receipts:

KATHERINE F. RODMAN.

ADMISSION OF PATIENTS

*The Charge for Children under 12 years
of age, Ward Beds, is \$1.00 per day*

The Charge for Open Ward Beds is . . \$4.00 per day

*The Charge for Semi-Private Beds is . . \$5.00 and
\$5.50 per day*

*The Charge for Private Rooms is . . . \$6.25 to
\$17.25 per day*

The Hospital cares for an average of about one hundred and fifty wholly free patients and will, when there are vacant beds in the open wards, receive patients whose means are limited for any sum which they may be able to pay and those without means as free patients, provided they are admissible under the rule governing the admission of patients.

Applications for the admission of patients who are unable to apply in person, must be made prior to sending them, and should be made between the hours of nine a. m. and five p. m. All promises of admission are made subject to the result of an examination, as to admissibility, on their arrival at the Hospital.

The financial status of all free or part pay patients is investigated by the Social Service Department and free treatment will not be given unless justified by the report.

Visitors to patients in the Main Building should apply at the Indiana Avenue office.

EXTRACT FROM RULES

"The Hospital is for the treatment of acute, curable, non-contagious diseases and injuries. The following are inadmissible: Sufferers from contagious, dangerously infectious, or incurable diseases, drug habits, delirium tremens, insanity and persons whose presence in the wards would be prejudicial to the welfare of the other patients.

"Patients who refuse to accept the treatment prescribed by the Medical Staff, or refuse to comply with the instructions of the physicians or nurses, or who willfully violate the rules of the Hospital will be discharged."

ANNUAL REPORT OF THE LINEN COMMITTEE OF ST. LUKE'S HOSPITAL—1934

Madam President and Members:

Having made purchases the last month of 1933 for this year to the amount of \$2,932.97, we began our work with a good inventory on our shelves. This included for the training school 624 articles, and for the hospital 4,189 articles. Besides this we have given the Hospital 2,496 articles at a cost of \$922.01 and the training school 2,877 articles at \$743.23, making a grand total of 6,685 articles given the Hospital for the year.

We have continued the salary of the Supervisor of Linen at \$1,221.84 and the rental of our Vault Box at \$6.60 for the year.

One new addition to our list has been added in the green and tan dresses for service maids and floor maids—a long needed uniform.

We lost in the death of Mrs. William Lauderback a very ardent worker; during the past eighteen months she made by hand over 1,400 masks for the department.

The total amount given the Hospital as shown in the following financial report of disbursements this year is \$2,896.09, less \$26.40 refund on laundry and dining room uniforms bought by the employees, or a net amount of \$2,869.69.

Thirty churches have sewed for us this year which is ten more than last year. They have made 3,249 garments and so relieved the sewing room for other work.

May we take this opportunity to thank all those who have made donations to our funds and supplies and who have assisted us with the sewing during the past year.

Respectfully submitted,

MAY W. ELDRIDGE,

Chairman.

AUDITOR'S REPORT

LINEN COMMITTEE, ST. LUKE'S HOSPITAL

Linen Committee,
St. Luke's Hospital,
Chicago, Illinois.

Mesdames:

We have examined the cash transactions of the LINEN COMMITTEE OF ST. LUKE'S HOSPITAL as disclosed by the Treasurer's records for the year ended December 31, 1934, and submit herewith our report together with the attached Balance Sheet at December 31, 1934, and statements of Receipts and Expenditures and Income from Investments for the year.

Receipts and Expenditures

Receipts on account of income for the year exceeded the total expenditures by \$826.92, compared with a deficit of \$2,542.32 for the preceding year.

The receipts and expenditures for the year ended December 31, 1934, are submitted in Schedule 2. They are summarized with the corresponding figures for the year ended December 31, 1933, in the following comparison:

	1934	1933	Increase Decrease
Receipts—Income:			
Donations	\$ 112.00	\$ 102.00	\$ 10.00
Interest	3,598.50	3,442.21	156.29
Miscellaneous	43.05	16.70	26.35
	<u>\$3,753.55</u>	<u>\$3,560.91</u>	<u>\$ 192.64</u>
Expenditures:			
Salary	\$1,221.84	\$1,230.25	\$ 8.41
Supplies and Materials	1,665.24	4,515.94	2,850.70
New Equipment		325.29	325.29
Miscellaneous	39.55	31.75	7.80
	<u>\$2,926.63</u>	<u>\$6,103.23</u>	<u>\$3,176.60</u>
Income in Excess of Expenditures	<u>\$ 826.92</u>	<u>\$2,542.32</u>	<u>\$3,369.24</u>
Other Receipts	<u>\$ 100.00</u>		<u>\$ 100.00</u>
Receipts in Excess of Expenditures	<u>\$ 926.92</u>	<u>\$2,542.32</u>	<u>\$3,469.24</u>

The increase in net income for 1934 is due primarily to reductions of \$2,850.70 and \$325.29 in purchases of supplies and material, and new equipment respectively. Gross income increased \$192.64.

Balance Sheet

The assets of the Jessie Spalding Landon Fund and the Linen Committee General Fund at December 31, 1934, are presented in detail in the Balance Sheet attached in Schedule I. They may be summarized as follows:

	Jessie Spalding Landon Fund	General Fund	Total
Cash in Bank.....	\$ 146.19	\$ 2,179.06	\$ 2,325.25
Real Estate Notes		19,000.00	19,000.00
Bonds and Tax Warrants.....	39,850.03	225.00	40,075.03
	<hr/> \$39,996.22	<hr/> \$21,404.06	<hr/> \$61,400.28

Cash in banks at December 31, 1934, was reconciled with statements furnished by the depositaries. We ascertained that disbursements during the year were supported by cancelled checks, invoices, etc., and that receipts recorded in the cash book were deposited in the bank, but our examination of the receipts was limited to the verification of the income derived from securities.

The notes of the Chicago Automatic Conveyor Company for \$5,000.00 due July 9, 1932, are unpaid, and semi-annual interest of \$150.00 due July 9, 1934, was past due at December 31, 1934. One year's interest amounting to \$90.00 is past due on the John H. and Hattie Petzel note.

We inspected the notes receivable amounting to \$19,000.00 which are kept in the safety deposit box, and we have received confirmation from the Northern Trust Company that the bonds of the par value of \$40,600.00 were on deposit in that bank. The accompanying statements do not reflect the value of any interest which the Linen Committee may have in the principal of the Robert W. Roloson Fund, which we are advised is carried as part of the general endowment funds of St. Luke's Hospital.

Investments are stated at cost, and we have not investigated their present market values.

We wish to acknowledge the assistance and courtesies extended to our representatives during the conduct of their work.

Yours respectfully,

EDWARD GORE & CO.,
Certified Public Accountants.

January 21, 1935.

ANNUAL REPORT OF MEMBERSHIP COMMITTEE OF 1934

During 1934 there were three deaths:

Mrs. James T. Harahan, Senior member
Mrs. Samuel Insull Jr., Active member
Mrs. William Prescott Hunt, Honorary member

Five resigned from Active membership:

Miss Beatrice Borland
Mrs. Robert J. Gay
Mrs. Lockwood Honoré
Mrs. Melvin A. Traylor
Mrs. Mark S. Willing

One Active member moved away:

Mrs. John Elliott Jenkins

Transferred from Active to Senior membership:

Mrs. William E. Casselberry

Five new members:

Miss Harriet Borland
Mrs. John L. Cochran, reinstated
Mrs. James H. Douglas, Jr.
Mrs. Paul Delano Hamlin
Mrs. Louis C. Sudler

There are seven vacancies in the Active membership.

Honorary members	Two (2)
Senior members	Four (4)
Active members	Fifty-three (53)

Respectfully submitted,

ELSA PARKER ARMOUR,
Chairman of the Membership Committee.

Chicago Title & Trust Co., as Trustee, 5% Bond, Series E, due May 1, 1942,
Certificate of Deposit—(Hettler).

Interest paid to November 1, 1933.

313 Patients given work during year.

2,044 Calls made to patients on wards with work.

122 Hospitalized patients came to shop for curative treatment.

79 Out-Patients came to shop for functional treatment.

234 Orthopedic cases were given treatment.

31 Medical patients were given treatment.

26 Neurological patients were given work.

22 Surgical patients were given work.

12 Lectures on Occupational Therapy given student nurses.

8 Curative Workshop demonstrations showing patients receiving functional treatment.

Term papers graded (student nurses classes).

Projects Taught:

Weaving—Foot power loom, hand loom, braid weave, card and card board.

Wood Work—Sandpapering, sawing, shaving, whittling, carving, chip carving, bench, wood, inlay.

Painting and Design—Paper and card board construction, flower making, paper, cloth, bead and in tin and metal work.

Clay modeling.

Toy Making—Wood, tin and cloth.

Basketry and Chair Carving—Reed, raffia and cane.

Knotting, sewing, embroidery, knitting and crochet, hooked mats and chair seats.

Lead carving.

Wood block printing and carving.

Donations:

Materials—Pieces of cretonne, gingham, calico, sateen, georgette, silk, felt, etc.

Stockings, cigar boxes, pasteboard boxes, spools, yarns, embroidery threads, canvas, beads, Christmas cards, etc.

Mrs. Sterling Morton, Mrs. Harold Eldridge, Mrs. William B. Hale, Mrs. William G. Hibbard, Mrs. John W. Gary, Mrs. Raymond M. Ashcraft, Mrs. Selim W. McArthur, Mrs. Ralph Otis, Mrs. George Coleman, Mrs. Harold C. Smith, Mrs. Clay Judson, Mrs. Grant H. Laing, Mrs. Wade Fetzer, Mrs. Edward R. Litsinger, Mrs. Paul S. Russell, Mrs. Chauncey B. Borland, Dr. Edwin W. Ryerson, Mrs. Bertram W. Sippy, Mrs. Walter B. Wolf, Mrs. William R. Folsom, Mrs. Paul Willis, Miss Mary Hipple, Marshall Field, Wholesale, Anonymous.

Respectfully submitted,

GERTRUDE D. LAING.

Occupational Therapy Department,
St. Luke's Hospital,
Chicago, Ill.

Dear Mesdames:

We have audited the books and records of the Occupational Therapy Department of the St. Luke's Hospital for the year ended December 31, 1934, and submit herewith a statement of cash receipts and disbursements for the period.

Cash disbursements were supported by cancelled checks. The amount of cash in bank was reconciled to the bank statement.

Yours faithfully,

ARTHUR YOUNG & COMPANY,

Accountants and Auditors.

**SOCIAL SERVICE DEPARTMENT'S 1934 ANNUAL REPORT TO
ANNUAL MEETING WOMAN'S BOARD
HELD JANUARY 23, 1935**

During the year 1934 the Clinics of the Social Service Department received 65,923 visits from 13,114 patients and as a consequence the Social Service Department has had a most helpful and successful year. The 65,923 visits exceeded the visits in the previous year by 3,805 visits and this substantial increase was accomplished by our Social Service Staff by the addition of only one worker and by placing Miss Emily Faucett in charge of admission to the clinics and by the volunteer services of Misses Elinor Wetten and Ann Kerwin and Mrs. Elizabeth Swanson. Until the summer of 1933 each social worker herself determined the eligibility and clinical service of patients admitted to her own clinic. Because of the steady increase in patients one worker, Miss Faucett, was appointed full time as Admittance Officer. The principles of the Admittance Department underlying admission to the clinics include:

1. The necessity for establishing clinic fees for medical service.
2. In each case, determining financial eligibility through social facts combined with medical history.
3. Residence eligibility.
4. Reduction of medical abuse.
5. Protection of the interests of private practitioners.
6. Provision of a liaison between the Hospital and the general public by which the Hospital's policies are directed in practical ways into proper channels to those for whom the Hospital cannot properly care.

During 1934, 2,837 of those interviewed were refused clinical care. 225 patients were referred back to private physicians for release; 480 were returned to clinics at which they had previously received medical care. It was felt that 401 persons of those interviewed were able to pay private physicians. 191 persons resided outside of the geographical area fixed by the clinic and there were 492 who were unable to pay the fees asked by the clinics and who were long time care or chronic patients and were, therefore, placed either in Municipal or State Hospitals and Clinics. In addition, 27 patients were refused because of compensations involved in their injuries. Advice or examination only was necessary for 231 persons. 489 persons were refused because

their illness was contagious or otherwise such that the Hospital lacked adequate facilities for their care. 190 persons were referred to public agencies for medical care arrangements, and, in the case of all patients refused admission, plans were made for their suitable care elsewhere. As we are continuing our appointment system for new patients, other than emergency cases, each doctor has a limited number of new patients besides his regular ones, with the result that the patients have more individual care and the doctors, who so generously give their time, are not delayed. This enables the doctor to apportion his time so that the growth of the clinic can be steadily and systematically controlled.

Our **Medical Clinic** is held every afternoon of the week excepting Saturdays, and also on Wednesday and Sunday mornings with Miss Ruth A. Pearce, whom we are delighted to have back with us, as the Social Worker in charge. 15,890 visits were made to this clinic. A great deal of detail is required by those agencies who refer patients to us such as sending of a letter giving a diagnosis, plan of treatment, work limitations, special diet, etc. Miss Peace makes her rounds once a week with four senior medical men and is available at any time when problems arise. The student nurses in training receive instructions in planning for home calls and follow-up. We desire to thank the volunteers who contributed such great assistance to the Medical Clinic: Miss Dorothy Dewes, Mrs. Clyde Walther, Miss Sylvia Gold, Mrs. Morgan Collins, Miss Ann Byron Smith, Mrs. Marjorie Moses and Miss Ruth Louise Kennedy, as well as the students from Antioch College who served in this clinic.

The **Surgical Clinic** is held every afternoon except Saturdays, on which day a morning clinic is held, all with Miss Myrtle Peterkin as the Social Worker in charge. There are 18 surgical staff doctors in attendance. The number of visits was 6,898. We wish to express our appreciation to Mrs. Curtis Bird, Mrs. Sutphen, who was formerly a St. Luke's nurse, and Mrs. George Perusse, Jr. for their volunteer services. Mrs. Sutphen and Mrs. Perusse have each been in attendance every Monday and we regret the loss of Mrs. Bird, who, as Miss Senn, worked so regularly in this clinic.

The **Urological Clinic** is held six times a week with Miss Myrtle Peterkin in charge of this clinic also as the Social Worker. The attendance averages about 12 patients each day. As many as six cystoscopies are done in one morning; and this clinic requires the attendance of four doctors.

Our **Pediatric Clinics** are held six days a week with Mrs. Orma Peckham as the Social Worker in charge, and requires the attendance of 12 doctors. Three of these physicians are present at two clinic sessions a week and the others attend one. During the year 5,003 visits were made to this clinic. The session on Monday morning is primarily for colored babies requiring feeding supervision and care for general conditions. The Tuesday session is divided into feeding supervision for white children and the nephritic group. At the Wednesday session general medical conditions in older children receive attention, although few colored feeding patients are being absorbed into this group. The allergy and chest patients are seen at the session on Thursday morning and, although comparatively new, this service is proving very valuable. On Friday morning an attempt has been made to care for heart patients but return patients are also examined for their general condition. The Saturday morning session is for school children with general medical conditions and also for the administration of diphtheria toxoid, Schick tests and vaccination. The materials used are obtained on request from the Department of Health in Springfield. Due to the nature and the time involved in the illness of the cardiac patients Mrs. Peckham concentrates her entire time and efforts in this group. During the year an average of 26 patients attended each session. The volunteer services of Mrs. Betty Manaster, Mrs. Lewis and Miss Dorothy Dewes each Friday morning have been invaluable. They take the doctors' dictation, give appointment slips to every patient, check each file card and in many ways facilitate and expedite clinical management. Their interest in referring to the Social Worker patients requiring shut-in service or the care of a visiting nurse or any special consideration is greatly and generally appreciated. Due to the lack of facilities and convalescent care we rely a great deal on the Visiting Nurses' Association and their home supervision has been excellent and most valuable, as has been the cooperation of the nurses in the four Special Schools—Christopher, Gompers, Spalding and Jahn—where our cardiac patients are accepted. During the year arrangements have been made and are in force for the attendance of 19 of our patients at these Special Schools to which schools daily transportation is supplied and at which schools lunches are provided in addition to medical nursing care as well as transportation to our own clinics. It is imperative to note the great benefits our patients have received from these schools. I am sure each member of this Board would be moved to have seen the lines of buses arriving at our Hospital from the Special Schools and in observing the

patience and order with which the crippled children enter our portals and in long lines await their turn at the clinic. The Bachman Memorial Fund raised for the Hospital by the Woman's Auxiliary of the St. Luke's Medical Board provides a great number of heart X-rays and electrocardiograms which would not have been otherwise possible. We are very grateful to the volunteers assisting in this department and hope we will continue to benefit by the services of Miss Eleanor McNally, Miss Louise Forgan, Mrs. Connell, Mrs. A. K. Morgan, Mrs. Gilbert Porter, Mrs. David A. Lawrie, Mrs. Joseph Nolan as well as Mrs. Manaster, Mrs. Lewis and Miss Dorothy Dewes whose special services to this clinic have been previously mentioned.

The **Orthopedic Clinic** holds four sessions weekly with Miss Ada Blumer as the Social Worker in charge. This clinic is attended by seven members of our Staff, five of whom give their time and service one-half day a week. During the year the clinic received 3,676 visits. The attendance this year is smaller due, no doubt, to there being no Orthopedic Clinic during the month of August. Each clinic is fortunate in having a volunteer—Miss Barbara Eldridge, Miss Peggy Wiley and Miss Elinor Wetten on Tuesday afternoon, Miss Martha Borland and Miss Ethel Johnston on Wednesday afternoon, Miss Wilma Buehler on Friday afternoon, while Miss Betsy Needham and Miss Honore White act as alternate for any of the regular volunteers whose absence becomes necessary. In addition, Mrs. Frank E. Dubach and Miss Gertrude Horton have volunteered their services during the summer months as has Miss Louise Schmidt, one of our former patients. In the orthopedic work the appointment system is followed and has been found beneficial in checking up delinquent patients. Volunteers usually send the follow-up cards for the patients stating when return is desired. By a new plan this year all post-operative cases are carefully watched from six months to a year and special emphasis is placed on these patients in order to insure their return to the clinics for observation. This plan could not be accomplished without the help of volunteers. The required curtailment of ward service has necessitated the development of plans for the home care. Many orthopedic patients would otherwise have been admitted to the Hospital for study and the establishment of a treatment regime. This has resulted in intensifying the need for social study of our patients. We have sent many of our patients to camps this summer—some through the Crippled Children's Camp. The Marquette Charitable Organization and the Rotary Club have paid for Hospital care for many of our indigent orthopedic cases. The Community Fund and the Chicago

Public Welfare have also paid for a number of these cases. The Illinois Emergency Relief has assisted us in purchasing most of the appliances recommended and the Sonia Welfare League, a private organization, has helped provide braces. In addition, the Junior League have donated many tickets for their children's plays performed during the past year and several of the volunteers have given her services and the use of her car to transfer patients to and from clinics. Though the Crippled Children's Schools frequently transport patients to and from our clinic, we still have many patients whose transportation is a great problem, because they are so unfortunate that they cannot use the facilities which the public offers. 25 of the orthopedic children were privileged to attend the Church Christmas party held at the Sherman Hotel this year. Finally, the special shoes and warm clothing purchased for crippled children from the Social Service Clothing Fund have been very greatly appreciated. The Orthopedic Clinic has very close connections with the four mentioned Special Schools, also with the Infantile Group of the Visiting Nurses' Association and the nurses from the Municipal Tuberculosis Sanitarium Dispensary. Many of the patients from the University of Illinois Research Hospital, Northwestern Medical School and Children's Memorial Hospital are referred to us because our doctors are members of the Staff in both these institutions.

The **Dermatological Clinic** meets every Tuesday and Friday with Miss Edith Schultz as the Social Worker in charge. Out of the 8,004 visits, 5,224 were for Anti-luetic treatment and only 2 hospitalization. The worker has attempted to follow all cases of epithelioma and infantile eczema. In the treatment division whenever a diagnosis is made we have urged on members of the family to report for blood Wassermanns. If found to be positive, some plan is made for the patient receiving treatment. In addition a record is kept of all positive Wassermanns; and we have followed delinquent patients so that if, after two letters and a home visit, they fail to cooperate they are reported to the Health Department.

The **Neuro-psychiatric Clinic** meets daily excepting Saturdays and Sundays with Miss Edith Schultz in charge of this clinic also as the Social Worker. 2,740 visits have been made to this clinic. The number of hospitalizations decreased this past year due to the fact that we are now able to do spinal punctures in the clinics. The worker arranges for the rest of the patient before leaving and someone accompanies each patient home. This clinic also makes arrangements for the entry of patients into State

institutions on a voluntary commitment basis in cases where the diagnosis is drug addiction or chronic alcoholism and where the patients are unable to pay for private sanitarium care. In this clinic intelligence tests have been given to many children, not only those registered in the clinic but those of the Speech and Pediatric Clinics.

The **Nose and Throat Clinic** is held Monday and Thursday mornings and Tuesday, Wednesday and Friday afternoons, with Miss Ruth McCoy as the Social Worker in charge. This clinic requires the attendance of 7 doctors. 5,027 persons were examined in this department including those examined for infected tonsils, sinus infections, ear infections, nasal obstructions, deafness and malignancy as well as those receiving treatments. A large number are referred from other clinics for consultation since clearing up nose and throat infections is decidedly important as the first step in treating other conditions found in children with heart and chronic ear infections or afflicted with rheumatism. Besides our regular scheduled operations, emergency operations are performed in this clinic in cases such as mastoid and tracheotomy.

The **Pre-natal Clinic** is held daily except Saturdays and Sundays with Miss Ethel Bloomquist as the Social Worker in charge. This clinic received 3,325 visits. Due to the reduction of the confinement rates from \$47 to \$35 a week, there has been a 48% increase in the number of patients signed up for hospital treatment in 1934. The Post-partem Clinic has increased over 50%. We are happy to report only one case of eclampsia during the entire year. We wish to express our appreciation of the volunteer services of Mrs. T. S. Edmonds in this clinic.

The **Gynecological Clinic** is conducted by 10 Staff doctors, 7 of whom are gynecologists and 2 obstetricians, with Miss Helen B. Connors as the Social Worker in charge. During the year this clinic has received 5,567 visits. 379 patients were advised to enter the Hospital each after an individual conference regarding plans for hospitalization. Of this number 198 were admitted to Main 14, leaving 26 not cared for but on the list for hospitalization. In the last few months it has been decided by the Obstetrical and Gynecological Staffs that they combine their clinical services. This innovation has proved very helpful. At the present time we have 36 cases of carcinoma of the uterus, some of whom have been under our care for five years. These patients show their appreciation of our help by their cooperation with the Staff.

Only two of these cases are advanced; the others are in a comparatively early or an arrested stage. Intensive social planning has been done for the group in order to control the advancement of carcinoma in our patients. We have had many other interesting and important types of patient in this clinic but we feel these to be the most vital. The Cook County Bureau has given us fine assistance in providing post-operative surgical supports for our patients as well as many other appliances required in their treatment.

The **Speech Clinic** was established during the year and operated for 10 months, doing remarkable work in cases of Spasmophemia or Dysphemia, commonly known as stuttering and stammering, Cleft Palates, Idiotic Mutism, Infantile Perseveration, Hearing Deficiency, Lispings and Infantile Lipping which is a form of Dyslalia. Where children were treated the mothers had to be taught the assigned lessons in order to facilitate the desired results. Mrs. Mable Clare Norcross has been in charge of this new and excellent work.

The **Eye Clinic** is held daily except Saturdays and Sundays with one doctor present at each session and with Miss Ethel Bloomquist also serving this clinic as the Social Worker. During the year 3,556 visits were received, about 70% of all patients seen requiring refractions in the aid of whom most of the glasses were supplied by the Cook County Bureau. There has been an increase in the number of pathological cases such as glaucoma, trachoma, retinitis and retinal detachments. All of these cases were closely supervised by the worker.

The **Dietary Department** has been under the direction of Miss Frances B. Floore for the past year during which period it served all the clinics and there has been a rapid increase in the number of emergency relief cases who have had dietary prescriptions. This problem has been complicated in each case on relief by a further 10% reduction in the food budget and by the fact that many of our patients could not eat the government meat substituted when the 10% cut in the budget became effective. From July 15 to January 1, there have been 1,024 patients instructed concerning diet. This does not include the weekly or monthly check up after the diet has been given and which would increase that number by several hundred. A clinical dietitian should prove a valuable addition to the Hospital Staff. Besides the regular clinic patients, there are relief patients in the Hospital who should have their diets checked before they are discharged and for

whom food orders should be sent to their relief station so that the diet may be continued as soon as they return home. A delay of even a few days often undoes much of what was accomplished in the Hospital. Doctors used to writing diet prescriptions and having them carried out to the letter sometimes find it hard to realize that relief cases cannot have cream, chicken, and all the fresh vegetables and fruit they want and their diet orders must be made to conform with the food allowances issued from the General Nutrition Offices which allowances have been found in most cases to be sufficient.

The duties of the clinic dietitian are largely educational in character and should do much to instill good eating habits in people whose income has been greatly reduced and who are having difficulty in making the necessary food adjustments. Miss Floore represented St. Luke's in serving on the Special Diet Committee for the Emergency Relief which was entrusted with the preparation of skeleton diets for clinics, hospitals and relief stations. This work has been a tremendously important one.

I desire to stress the outstanding work of the Grace Church Social Worker, Miss A. Katherine Stevens, on whom no less than 9,819 ward calls were made during 1934 and who made 489 home calls. It would be impossible in this report to relate the scope of the activities Miss Stevens has covered, the many desperate cases she has solved, and the help she has given in everyone's problems no matter how pressing and difficult or to appreciate the success that she has obtained in her wonderful work. Many of our children have been taken care of through the Juvenile Court. Their cases have been followed through and looked after in courts of Domestic Relations and Psychopathic courts. Homes have been found for the adoption of babies. Where our patients have needed the attention of special or certain institutions she has arranged for that; and the numberless jobs and the amount of useful employment she has secured for needy patients on leaving the Hospital or for the parents of children who have been under our care has been incredible as well as the speed with which she is able to accomplish this, at this time, most difficult undertaking. Some idea of her work can only be had by understanding a few of the problems and difficulties she has overcome and which are most modestly set out in a statement I desire to make available to this Board.

A positive problem is presented when death comes to those who are penniless and where no fund is provided for burial. Several cases have arisen this year in which permission has been

obtained to use for this purpose the Ellen Waller Loan Fund. Though County burial is available for everyone, it is a gruesome procedure of which one tries not to think.

The Ford car of the Social Service Department has been invaluable in covering the ground making home calls and transporting patients to and from the Hospital.

Special supplies and special foods, such as Cod Liver Oil, viostrol, dextri-maltose and pabulum have been secured upon request through the courtesy of Meade Johnson Co. and viostrol has also been donated by the Abbott Laboratories for use in special feeding cases within the clinics.

The growth of our clinics has been such that its attention in numerous directions, only some of which can be here mentioned, would have been impossible without our record room. That facility has been constantly improved and is in excellent working order under the direction of Miss Olive Keith Raftree and Mrs. Helen W. White. Records have been systematized and are classified as active and inactive, the latter amounting to 3,000 during a year, when the patient recorded has not during the year been within the clinic.

We mention with great regret the departure of Mrs. Ruth Fish who so ably and faithfully looked after our Cardiac Clinics and our Sunday morning clinics, but we are glad to know she is enjoying her responsible and new position as Executive Secretary of the Federal Emergency Relief at Taos, New Mexico.

The Social Service Fund has been maintained to meet the costs of operative attention required by clinic patients who cannot themselves pay for their operations and hospitalization. The requirements on this fund have been so exceptional during the year that the fund has been exhausted.

Where free patients from the Social Service Department are furnished with private nurses at the request of our attending physician the entire expense is borne from the Helen Shedd Reed Fund for which we are very grateful.

The Social Service Department is very grateful to Mrs. Chauncey Borland for her generous donation of \$25 a month to one of our deserving families and also to Mrs. Kersey Coates Reed whose

Christmas gift of \$200 was apportioned among the social workers in such a way that each social worker indicated the family in her clinic whom she considered to be in the greatest distress and accompanied the family's representative when their Christmas dinner was obtained and made payment for what was then purchased.

We cannot sufficiently or adequately express our gratitude to the Medical Staff who have helped our work so magnificently and given to it so greatly of their own time; nor to the Social Service Staff who have worked so valiantly, unsparingly of their own time and leisure, always ready to afford their individual attention to each patient; nor to our volunteers through whom our extra work has been made possible and without whom it would have not been possible. We wish to express our sincere thanks to Mr. Zabel who, year after year, has accurately filled the constantly widening list and increasing number of prescriptions required in the extension of the services of our clinics. We are deeply appreciative of Mr. Wordell's close cooperation and ready assistance both for himself and through Mr. Pearson. Miss Anna Armstrong's leadership in the growth and growing difficulties of our work has been a constant inspiration and we are unable properly to express our recognition of her understanding of the problems she has had and of her consideration and kindness to all she has led and all who know her and all who have been benefited under her direction.

Respectfully submitted,

MARGUERITE P. WOLF.

--	-----------------

BY-LAWS OF THE WOMAN'S BOARD OF ST. LUKE'S HOSPITAL

ARTICLE I.

The Board shall be called the Woman's Board of St. Luke's Hospital.

ARTICLE II.

Its object shall be to aid the Trustees of the Hospital to provide bedding, table linen, china, reading matter, delicacies, comforts for the sick and furnishings for the Hospital and the Elizabeth Stickney Home (The Training School for Nurses), also to invite the co-operation and secure the help of the Episcopal Churches and all charitable people of Chicago in the work of the Hospital.

ARTICLE III.

Section 1. Membership shall be of four classes: Honorary, Senior, Active and Associate.

Section 2. Honorary Membership may be conferred upon one who has rendered especial or distinguished service to the work of the Board. The name of one desired to be so honored shall be sent in writing, with the reasons therefor, signed by at least two members of the Board, to the Membership Committee. If the name is considered favorably by the unanimous ballot of the Membership Committee, it shall be recommended to the Board where election shall be by ballot. **A unanimous vote of the Board shall elect to Honorary Membership.** Honorary Members have all the rights and privileges of membership except the right to vote and hold office. Honorary Members pay no dues.

Section 3. Senior Members shall be chosen, on the recommendation or with the approval of the Membership Committee, from those who have served as active members of the Board. They shall have the right to attend all meetings, may vote at all meetings and have all the rights and privileges of active members except that of holding office. Senior members shall not, unless volunteering or expressing a desire so to do, be considered available for active work or service at the Hospital. Senior members shall pay annual dues of \$15.00.

Section 4. Active Members shall not exceed sixty in number; shall pay annual dues of \$5.00, and have all rights and privileges of membership.

Section 5. Associate Members pay annual dues of \$10.00. They shall have the right to attend meetings of the Board, and shall be notified by card of the annual meetings. Associate Members do not vote nor hold office.

Section 6. Candidates for membership on the Board shall be recommended in writing by two members of the Board to the Membership Committee. The Membership Committee shall vote by ballot upon candidates so recommended, and upon unanimous vote same shall be referred to the Board for final action. The Board shall vote by ballot upon candidates recommended by the Membership Committee. Three negative votes shall defeat election.

Section 7. The Membership Committee shall consist of the three Vice-Presidents with the Second Vice-President as Chairman and two non-office holding members to be elected by the Board at the Annual Meeting.

ARTICLE IV.

Section 1. Officers: The Officers of the Board shall be a President, three Vice-Presidents, Recording Secretary, Corresponding Secretary and a Treasurer.

Section 2. At or prior to the November Meeting of the Board the President shall appoint a Nominating Committee of five members, whose names shall be announced by the Recording Secretary at the November Meeting. To this Committee shall be entrusted the recommendation of a ticket consisting of at least one name for each office to be filled. No one shall be recommended by the Nominating Committee whose consent to serve has not been first obtained. The ticket so prepared shall be announced at the December Meeting. After which a copy shall be mailed to all voting Members of the Board, and shall be presented to the Board at its January Annual Meeting, at which meeting nominations may also be made from the floor. The election shall be by ballot and a majority vote shall elect.

Section 3. The officers elected at the annual meeting shall serve one year and until their successors shall be elected and qualified.

ARTICLE V.

Section 1. There shall be an Executive Committee consisting of the Officers of the Board and Chairmen of all standing committees. The Executive Committee shall meet at the call of the President.

Section 2. It shall be the duty of the President to preside at all meetings, appoint all committees not otherwise provided for, and perform the ordinary duties of the President.

Section 3. The first Vice-President shall perform all the duties of the President in her absence.

Section 4. The Second or Third Vice-President shall perform the duties of President, in the absence of both the President and

the First Vice-President. The Second Vice-President shall be the Chairman of the Membership Committee.

Section 5. The Corresponding Secretary shall conduct all correspondence on behalf of the Board, and shall send the usual notices of meetings.

Section 6. The Recording Secretary shall keep and preserve reports and minutes of all the meetings, and shall mail copies of the minutes to the President and Corresponding Secretary. She shall also perform such other duties as may be directed by the Board.

Section 7. The Treasurer shall collect the dues and receive the Funds of the Board, and shall pay out money only as directed by the Board. She shall keep such records as may be prescribed by the Board, and shall submit to the President each month an accurate exhibit of receipts and disbursements.

ARTICLE VI.

Section 1. The annual meeting of the Board shall be held on the fourth Wednesday in January at 10:30 a.m., at which time the annual dues of \$5.00 shall be paid.

Section 2. The regular meetings of the Board shall be held at St. Luke's Hospital, on the first Wednesday of each month from October to June inclusive.

Section 3. Seven members shall constitute a quorum for the transaction of business at all meetings, including the Annual Meeting.

ARTICLE VII.

Section 1. Order of Business. The order of business for the Annual Meeting shall be as follows:

- (a) Prayer.
- (b) Roll Call.
- (c) Minutes of last Annual Meeting.
- (d) Reports of Officers:
 - President.
 - Vice-Presidents.
 - Corresponding Secretary.
 - Treasurer.
 - Auditor.
- (e) Reports of Standing Committees:
 - Emergency.
 - Support of Free Beds.

Furnishings.
Delicacies.
Nurses.
Kindergarten.
Linen.
Social Service.
Membership.
Nominating.

- (f) Nominations from the floor.
- (g) Election of Officers.
- (h) New business.
- (i) Adjournment.

Section 2. Order of business for the regular meetings of the Board shall be as follows:

Prayer.
Roll Call.
Reading of the Minutes of the Previous Meeting.
Report of the Corresponding Secretary.
Report of the Treasurer.
Reports of the Chairmen of various Committees.
Miscellaneous Business.

ARTICLE VIII.

Duties of Members.

It shall be the duty of the members of the Woman's Board to attend the monthly meetings. A fine of \$1 for each absence from Board Meetings shall be assessed, except in the case of non-resident members.

ARTICLE IX.

Section 1. All Committees shall have power to increase their membership, adopt rules not inconsistent therewith, elect their own officers, the chairmen being members of the Board. Committees shall hold regular meetings at which the work of such committee shall be organized and transacted. The Chairman of each Committee shall report to the Board plans of work contemplated, and written report of the work accomplished.

ARTICLE X.

These By-Laws may be amended by a two-thirds vote at any regular meeting, notice in writing of the proposed amendment having been sent to all members of the Board.
